

You Asked, We Delivered!

A New Topcoat System that is Faster, Safer, and Better for the Environment

Hawk's NEW IsoFree Plus Lo Four Hour Topcoat System combines all of the best topcoat characteristics, into a single superior system:

- **FASTER***—Water cured in 4 hours, return to service in 8 hours
- **SAFER**—Isocyanate-free catalyst, resin, and reducer and FDA-compliant
- **BETTER FOR THE ENVIRONMENT**—Low odor, low VOC
- **PERFORMANCE**—The same trusted quality, durability, and precision custom color matching options you have come to expect from Hawk

Product is available immediately. Contact your Hawk representative for more information or to order a sample.
