WHY HAWK RESEARCH LABORATORIES?

1978

Industry Leadership

Since 1978, Hawk Research Laboratories, LLC. has been the leading manufacturer and distributor of high performance professional refinishing coatings and accessories.

New Product Development

Led by a Ph.D. scientist, our product development team uses a disciplined stage-gate process to develop and deliver innovative solutions to meet current and emerging demands of the refinishing market.

Training

We offer professional refinishing training led by industry experts for a variety of surfaces including bathtubs, countertops, cabinets, vanities, and tile.

Customer Service & Technical Support

Customer satisfaction is our top priority. Our dedicated and knowledgeable teams are committed to providing industry leading service.

Quality. Consistency. Innovation. Support.

All monitors and printers vary, results may display colors different. Final colors and patterns may vary due to slight batch manufacturing variation, application techniques, environmental conditions, the surfaces being treated and other elements which may cause differences from the samples presented.
