

StripRight™ Paint Stripper

**Methylene
Chloride
Free & NMP
Free**

EASILY REMOVE COATINGS WITHOUT METHYLENE CHLORIDE OR NMP

Hawk's NEW StripRight Paint Stripper delivers the efficiency and effectiveness resurfacing professionals require, in a safer, methylene chloride-free and NMP-free formula.

SAFETY

- Methylene chloride free
- NMP free
- Virtually odorless (full face respirator still recommended)

EASE OF USE

- Thick consistency for excellent control
- Stay-put gel formula clings where it's applied
- Distinctive blue color ensures application accuracy
- Pour or brush-on application

EFFECTIVENESS

- Removes urethane, epoxy, polyaspartic, enamel, & lacquer
- Ideal for use on porcelain, ceramic, metal, fiberglass, acrylic & wood
- Softens coatings in as little as 15 minutes

EFFICIENCY

- Fast-acting formula saves time and money
- Penetrates up to 12 mils of coating in a single application*

* When used as directed. Testing conducted in a controlled laboratory environment, actual results may vary based on application, environment, and individual applicator processes.

Available only in the US and Canada.
